PAN AMERICAN ROUND TABLE
AUSTIN, TEXAS

BIENNIAL REPORT FOR THE STATE CONVENTION, 1961-63

The Austin Pan American Round Table, which has a membership of 100, has sponsored several projects during the past two years. These are the Pan American Center, the International Hospitality Committee, the Hackett Memorial Scholarship, and the International Student Loan Fund and the Spanish Language Award.

At the Pan American Center we have observed Columbus Day with a gift subscription to the morning and evening papers. We also support the Center in our budget, and several of our members take an active part in classes and organization of the Center.

For the past three years we have furnished financial support to the International Hospitality Committee. This has helped pay the salary of an executive secretary necessary to the working of this plan. This Committee is doing an excellent job of providing host families for all international students in Austin as well as hospitality for business men, diplomats and teachers that are in Austin for a short time. Through this program many of our members have become the adopted parents of Latin American students attending the University of Texas.

Through the International Office at the University of Texas we maintain a loan fund for students from Latin America. These are short term loans, usually about \$50.00, and do not require any interest charge. There are usually about sixty loans made each year.

This fund was set up because many students need temporary aid while awaiting the arrival of funds from home.

The Spanish Language Award was started in 1962 and is a \$25.00 award given to an outstanding student in Spanish through the Department of Romance Language at the University of Texas.

Our Table was recently honored by a visit from Mrs. Wylie, our State Director, who was with us at our March Luncheon meeting.

The Austin Table is fortunate in having members of the University of Texas Faculty available for speakers at our program meetings. During the past two years we have had some very interesting programs, including as guest speakers exchange professors from various Latin American countries.

Pan American Day observance is always one of our big events. Plans are being made to celebrate with a luncheon meeting which will feature Dr. George I. Sanchez, Professor of Latin American Education, as guest speaker. Austin residents of the Good Neighbor Commission will also be our guests at the luncheon.

An excellent slate of new officers has been elected for the coming year, and our Table hopes to successfully continue with the current local projects as well as broaden our knowledge and relations with our Latin American sisters.

Respectfully submitted,

Carolyn Chapman

Report of Pan American Round Table 1
Brownsville, Texas
Presented at

The State Convention of the Pan American Round Tables of Texas
Houston, Texas April 2, 3, 4, 5, 1963

Pan American Round Table 1 of Brownsville was organized in 1932.
The Table will be 31 years old this coming November. The present
membership is as follows:

33 Active members

5 Associate members

21 Sustaining members

2 Non-resident members

1 member on leave of absence

1 Honorary member in addition to the Consuls and their wives
from the United States and Mexico.

Luncheon meetings are held on the first Friday of each month from
October through June, with the exception of November and February.
At these luncheon meetings, roll call is answered by each member with
a current event pertaining to the country she represents. Programs
are given on these countries, in turn, alphabetically, either by the
member or by a guest speaker who has lived or traveled in the country
being honored. Table decorations are planned to carry out the theme
of the program in some manner typical of the country represented.

"One for all
All for one"

In November, the Table has a birthday celebration in the form of a dinner for members, their husbands and guests. The Associate members are hostesses for this event and the Consuls, and their wives from Mexico and the United States are honored guests.

In February, the Table has a Merienda and Costume Review on Wed. before the opening of the Charro Days Fiestas. In 1960 this affair was open to the general public but is usually held for the winter visitors only. Texas Southmost College presents authentic native dances, at intervals, during the Costume Review. After the Review, The Table members serve about 900 guests with pan de dulce and coffee. All members wear authentic costumes and the Pan American theme is carried out.

For several years the Table has presented Costume Reviews in Northern Mexico and In many parts of Texas and the Valley. Costumes shown in these reviews represent selections from one of the largest collections of authentic Latin American costumes in the United States. Donations received at these reviews are used for the Table scholarship fund, which keeps two students at all times in Texas Southmost College. Each year the Table presents to a Brownsville High School graduate a \$300.00 two year Bessie K. Johnson scholarship to Texas Southmost College.

"One for all
All for one"

For the past 21 years, the Table has observed Pan American Day by sponsoring an essay contest for students of the high school. The essays are written on Pan American subjects and a special committee selects the four best essays from the several hundred submitted. The writers and their mothers of the winning essays are guests at the April meeting where they read their essays and receive cash awards. This Table cooperates in many ways with the Table in Matamoros and Reynosa. At one luncheon meeting each year, all the members of the Matamoros Table are guests of the Brownsville members. Brownsville members are frequent individual guests of the Matamoros Table. Books on Latin American subjects are donated to a Memorial shelf in the Zachary Taylor Library of the Civic Center. Each new director is presented with a Directors pin. Since October 1959 this Table has been responsible for the publication of TEXANA, under the Publication chairman appointed by the State Director. This Table sent a delegate and two alternates to the Alliance Convention in 1962 in Mexico City. This Table has paid all State Dues and contributed to the Florence Griswold Fund.

REPORT

Pan American Round Table II of Brownsville, Texas consists of housewives, business and professional women, therefor we have all our meetings in the evenings.

Presented to the Zackery Taylor Library each year is a book of their choosing about any historical or colorful figure regarding any South or Central American Country. This has been one of our projects for a number of years.

For Pan American Day we sponsor a poster contest where all four of our Jr. High Schools participate. There are two prizes given to the students whose posters the judges feel depict most to the contribution of friendship and good will about the Latin American Countries. These are judged by professional people or artists. The winners are entertained at dinner along with their teachers at our Pan American Day meeting.

For the past two years we have contributed to the support of a Panamanian Student who is attending Texas Southmost Junior College, and living in the home of one of our members.

During the Charro Days Festivities in 1962 we contributed by decorating a window showing costumes worn by one of the Latin American Countries.

Our table feels very proud that three of our four honorary members attend our meetings regularly, the fourth now residing in Miami.

Although we are a small table we do have a good representation at all conventions. Five attended the Alliance Convention in Mexico City.

In December of 1962 we celebrated our 20th Birthday. All our meetings have been held at the same place without deviating since we were organized.

BIENNIAL REPORT
BRYAN-COLLEGE STATION PAN AMERICAN ROUND TABLE

1961 - 1963

The Bryan-College Station Pan American Round Table programs four regular evening meetings each ^{year} geared primarily to the members' interest, several of them set up for community-wide attendance and of particular interest to the Pan American students at Texas A & M. In addition, there is a Christmas function primarily for the Pan-American children; active cooperation in the college receptions for the new ^{foreign} students; a party for the new Latin-American students before the fall semester and assist ^{with} the college students' annual Pan-American Week activities.

The most far-reaching activity is the weekly Spanish classes in different stages of advancement: advanced, intermediate and beginners. The beginners classes for 1962-1963 have increased from an average attendance of 10 or 12 students to 35, showing the increasing interest of this area in South America and its peoples.

Specific activities of the B-CS P.A.R.T. for the years 1961-1963 included the following:

On October 24, 1961, under the leadership of the Round Table, a panel discussion was held at the YMCA of the A & M College on "Ways of Achieving a More Practical and Effective Good-neighborliness between the Americas." Mr. R. D. Thompson was moderator; Mrs. Mary Ellen Vincent spoke on "The Role of Language"; Dr. Vance Edmonds on "Agrarian Reform" and Juan Lobo from Mexico and Rene Bucaran from Ecuador gave the South American points of view.

On November 28, 1961, the State Director, Mrs. A. J. Wylie spoke on "The Meaning of Pan-Americanism," followed by a program by high-school students.

On February 13, 1962, the P.A.R.T. presented a program by the Stephen F. Austin High School Students with the "Argentina" theme. They included poems by Argentine poets and talks on Argentine history and resources.

On October 30, 1962, the P.A.R.T. sponsored a panel discussion on South America with Mr. Marvin H. Butler answering questions from the point of view of Economics, Col. T. R. Macherey the military and Dr. Odie Fauck the historical. There was a very active question and answer period between the audience and the panelists.

At the same October meeting, P.A.R.T. announced that it was going to sponsor this year an essay contest with prizes going to the A & M and Allen Academy Latin-American student who writes the best essay on "What Being at A & M College Means to Me" and "What Being at Allen Academy Means to Me." Prizes will be awarded in April, 1963.

On November 27, 1962, Mrs. Matilde Otero de Watkins gave a talk entitled Puerto Rico, Then and Now, based on her reactions upon returning to her home in Puerto Rico after almost 20 years' absence.

January 6, 1963 (Three Kings Day in Spanish Countries), members of the Round Table entertained married Latin American students and their families at a party, the theme of which was "El Dia de Los Reyes Magos." There were games and a "pinata" for the children and a program presented by the high school students.

February 26, 1963, "El Dia de la Juventud" was presented: a program of dancing, recitations and music presented by the Spanish classes of Allen Academy, Stephen F. Austin and A & M Consolidated High Schools.

Being so close to A & M College and to Allen Military Academy with many South American students, the Bryan-College Station P.A.R.T. endeavors to include them in the activities sponsored by the Table. Members also have a program of calling on wives of the students and helping them to more easily acclimate to life in the U.S. Many of the members give private lessons in every day English to the ones who don't know the language.

Respectfully submitted,

Rosa Belendez de Richardson

each made a short talk. PAN AMERICAN ROUND TABLE-1-CONROE, TEXAS

Table 1 through our Interchange Library Chairman is contributing to Pan American Round Table 1 of Conroe is glad to report that our group has grown in dedication and purpose. Their interest and cooperation is evident not only on the local level, but also in the State and Alliance organizations as well. Our monthly meetings are well attended due to the outstanding programs that are planned by our program chairman, Mrs. W. M. Holland. March 12, 1961, we were pleased to have Mrs. Elva Kait Lund as

Guest. On November 14, 1961, our Table felt the need of organizing a Table for the young women of Conroe. With the proper guidance, this became a reality when Pan American Round Table 11 of Conroe was organized March 13, 1962 with Mrs. J. Fred Muller as Director. This is a very active group and well on their way to making a fine contribution to Pan Americanism.

Also on March 13, 1962, a committee was formed to publish a cookbook. This project is still in the making and it is hoped it can be completed this fall. Any money realized from this project, will be used to enlarge our own scholarship fund for a Latin American student at the Sam Houston State Teachers College at Huntsville, Texas, under the supervision of Dr. Jesse Burleson. It was decided to let the members of Table 11 be represented on the cook book committee to promote a closer tie between the two Tables. On May 29, 1962, Mrs. Arnold H. Bruner entertained Table 1 and Table 11 in her lovely home with a Tea so the two groups could become better acquainted.

On September 11, 1962, Table 1 was proud to entertain their State Director, Mrs. Arlon J. Wylie, our Associate Director, Mrs. Hart Brown of Houston, and Mrs. G. Huckings Morris, Table Director of Houston. Again the two Tables met for Tea where they enjoyed the gracious hospitality of Mrs.

1962-1963 Report of the Conroe II P.A.R.T.

In January of 1962, several women of the Conroe I P.A.R.T. hosted the first organizational meeting of their latest project-our new table. There are many young matrons in Conroe, so we set our quota at thirty two. This number varies from one meeting to the next, as we encounter problems most groups do not- babies and moving families. We meet at member's homes the last Thursday night of each month. Last summer we continued our meetings since we felt as if we had just gotten our feet on the ground.

Our basic group project is to try to learn to speak a little Spanish. We get many laughs as we read our books we bought. I compiled some notebooks to accompany records that our local library has, and at least we have learned to answer roll call with " aqui " as well as give the current event for "our " country.

Last July we sponsored the county Bloodmobile which means furnishing sandwiches and cookies for the donors and nurses. We have sent money for two subscriptions to Good Housekeeping magazine which will be sent to Leon, Nicaragua , and Cuzco, Peru.

This May we hope to send a high school girl to Monterrey, Mexico. She will visit in one of their member's homes. It was originally planned for the Thanksgiving holidays , but was postponed until early this summer. Our present project is jointly compiling a cook book with the other Conroe table. We want the best recipes of our good cooks in town.

Socially, our table was honored at a tea last May 26, given by one of the ladies in the other Conroe table, Mrs. Arnold Bruner. A lovely buffet in September was given by Mrs. Holloman honoring our state officers, Mrs. Wylie, Mrs. Brown, and the Houston director, Mrs. Morris.

Pan American Round Tables of Texas

Dear Madam Director:

The Pan American Round Table of Corpus Christi, Texas, meets every third Tuesday of the month, September through May. The Membership is composed of thirty-four, of which thirty-one are active and three are associate members. Roll call is answered with current news items on assigned Latin-American countries.

Programs for the year have been based on Pan American Arts and Literature. At our November meeting Mrs. Fred Beasley of the San Antonio Table gave us an excellent book review.

Our Christmas program, celebrating "Fiesta Navidad--Guatemala", was presented by Dr. and Mrs. Kelso of Taft, Texas. Dr. Kelso, as a representative of our government, has assisted in the establishment of schools in Guatemala.

On Pan American Day 1962 we entertained with a guest day luncheon. Mrs. Dan Schofield of the Austin Table spoke on the changing status of women in her native country--Peru.

We have continued support of our Latin American Book Shelf in La Retama Library. Books have been presented to commemorate Columbus Day, and Pan American Day. A book was also placed in memory of Mrs. Almer Stewart who was a founder of the Corpus Christi table.

We continue to participate in the Lola Forrester Flower Show and

Christmas Greetings were sent by our director to all tables in the Alliance

, for the 8th consecutive year,
have ~~continued to win~~ ^{won} the over-all award among the non-competitive displays.

On February 20 we honored Mrs. Francisco de Orlich, wife of the President of Costa Rica, with a tea at the home of Mrs. Duckworth Parr. Mrs. ~~--~~ ^{Raymond} Telles, the wife of our Ambassador to Costa Rica and a member of the El Paso Table, accompanied Mrs. de Orlich.

One of our members contributed \$100.00 to be divided equally among the scholarship funds of Brownsville, Eagle Pass and Rio Grande Valley Tables.

Our scholarship fund has continued to grow and this year we were able to award a complete scholarship, "The Jack Modesett Scholarship", given by the Pan American Round Table of Corpus Christi to Angel Herrera of Velencia, Venezuela for the study of Agriculture in Texas A and I College in Kingsville, Texas. This accomplishment has, perhaps, given us our greatest satisfaction.

THE PAN AMERICAN ROUNDTABLE
of
CORSICANA, TEXAS

During the years 1962 and 1963 the PAN AMERICAN ROUNDTABLE of CORSICANA, TEXAS gave partial scholarships to two Latin American boys. We helped to pay for music lessons for a fifth grade boy, and we helped a 9th grade boy with his art lessons. The Roundtable has presented the young musician in public twice, and we had a showing of the young artists work where several paintings were sold. Our Table bought one painting and presented it to the Kinsloe House where we and many other clubs hold regular meetings.

A Christopher Columbus Fiesta was held in October in honor of sixteen students from Oruro, Bolivia who attend schools in Corsicana and two nearby towns. We have adopted the Pan American Roundtable of Oruro, Bolivia as our sister table. There has been some exchange of letters and pictures between members.

In December we held a Christmas Posado in which some of our Table participated. Later gifts of toys, fruit, and money were distributed among several needy Latin American families.

We have begun short lessons in Spanish at our regular meeting with one of our members instructing.

A collection of dolls dressed in authentic costumes of each of the Pan American countries are being displayed by our table during the months of March and April in the public schools.

The Pan American Roundtable of Corsicana was represented at the Alliance Convention in Mexico City in 1962.

REPORT
of
Dallas Pan American Round Table II
1961 - 63

The 1961-62 year was the last half of a two-year term of Mrs. E. B. Petersen as Director. The following were important activities:

Regular Spanish classes under the leadership of Spanish Chairmen Mrs. W. C. Morgan were held. In November 1961 we entertained eight South American ladies, guests of U.S. State Department, who were studying educational development and methods in our country. Approximately fourteen of our members attended the Alliance Convention in Mexico Spring of 1962.

The 1962-63 membership of 72 active members continued to meet the second Friday, September through May, at Humphrey Lee Student Center at Southern Methodist University.

One of the main projects of the year was to underwrite nurses training of one year each for two Honduran girls, to be trained on the job, by the Pan American Health Service. Headed by Dr. Stephen Youngberg, this is a group of dedicated doctors and medical personnel who have established a clinic and hospital in primitive areas of this Central American country.

Many acts of friendship with Latin Americans were exchanged by our Table members. A gavel was presented by us to the Mexico City Table. Courtesy Chairman, Miss Clyde Bull, in cooperation with the Dallas Council on World Affairs, has met planes carrying Latin Americans, escorted them on shopping and sight-seeing tours, helped to unravel the mysteries of travel in our country, and in general made their visits more meaningful.

In November 1962 we joined with Table III of Dallas to carry on the idea of Reunion for Friendship started by Waco last year. A luncheon at the Inn of the Six Flags was held, and our State Director, Mrs. Eura Wiley, along with members from Dallas I, II, III, Fort Worth, Waco and Corsicana were present. Messages were read from El Paso, McAllen, Bryan-College Station, Rio Grande City, Austin, Corpus Christi and Brownsville I Tables.

Spanish Chairman Mrs. W. C. Morgan has led in a Spanish prayer before each luncheon and has given brief facts about Latin American countries. Our speakers have been on varied subjects relating to Latin America, and they were designed to promote "Friendship through Understanding."

Christine Dooley

Mrs. Marion F. Dooley
Director

1962-63

Pan American Round Table Dallas III
1961-1962-1963

For the past two years the Dallas III Table has continued a number of its projects which have seemed to have the most merit. The programs for the meetings 1961-63 have emphasized the culture of the Western Hemisphere: literature, art, archeology, architecture, music, history and customs. Reports have been given on specific countries, and a large map of the hemisphere has been used for roll call with the countries being placed on the map as the members answered with the country of their primary interest. Ten of the members went to Salado to meet with the Corsicana and Waco tables in the fall of 1961; and in the fall of 1962, this table and Dallas III invited the other Texas tables to meet with them at the Inn of the Six Flags between Ft. Worth and Dallas for a program by a refugee minister from Cuba.

The Spanish classes are continuing. The beginner's class and the advanced class studied with an excellent teacher one hour a week last year, and this year they are working two hours a week. The hospitality for foreign visitors continues as before with a dinner for Pan American students between semesters in the spring of 1962, and a Thanksgiving Dinner Party in November 1962 for graduate students at the Institute of the Americas at Southern Methodist University. These parties were well attended and were enjoyed considerably by the guests and by the hosts--and there is more Spanish spoken as more members of the table learn Spanish or brush up on what they had once known. Our members have also acted as interpreters and as hostesses for foreign visitors just passing through Dallas as well as having them visit in our homes for several days.

Again we gave a Piñata Party for children on Día de los Reyes in January of both years. There were games, dances, songs in Spanish and a puppet show as well as the breaking of the piñatas. This party is well attended. In 1962 the proceeds from this party were given as a scholarship to a student from Monterrey, Mexico attending North Texas State College.

In the spring of 1962 the members of the table made posters for Pan American Day and distributed them to the Jr. and Sr. High Schools in Dallas. This project will be revised this year since we found that the Spanish Clubs in the schools already had made their own posters and were quite aware of Pan American Day! They requested programs from us, and we are arranging a program of folk dances which will be available to the schools.

New projects undertaken within the past few months included communications directly with other tables and Spanish Teas. We sent personal messages for Columbus Day to some of the South American Tables. At Christmas each person attending the meeting brought a paperback book to send to a table south of our border. We joined the other Texas tables in subscribing to Good Housekeeping magazine for some of the other tables through the Interchange Library. We hope that the Tables to the south of us will send us booklets, newspapers or children's books which will help us to know them better. This year we have had a series of teas and coffees where no English is permitted and only Spanish is spoken. These reunions are arranged by the Spanish classes and other members of our Table or of the community are invited. These parties vary between 5 to 15 participants and the refreshments have been as simple as sweet rolls and coffee to a seated tea in the Argentine manner with special Argentine pastries.

Sixteen of our members went to the Alliance meeting in Mexico City; this year five of us will attend the convention in Houston. At the Folklorico Ballet in Mexico we were inspired to try to teach some of the dances to our children and to make the proper regional and historical costumes for them. On April 10, 1963 we plan to present a program of Mexican dances for the Corsicana Table. With the help of our Mexican members, we hope that our presentation will be reasonably authentic and enjoyable.

PAN AMERICAN ROUND TABLE OF EAGLE PASS
1961 - 1963

Mrs. John Worrell, as a delegate from the Eagle Pass Table, attended a Briefing Conference on Foreign Policy, led by Chester Bowles, held in Dallas in October of 1961. A comprehensive report of the meeting was presented to the Table on her return.

Our table was represented at the Alliance Convention in Mexico City February 1962 by three delegates and three members; one of them is a State and Alliance officer. We were also represented by two members at a special program at the Monterrey Table.

To celebrate the Pan American Week we organized a supper in Piedras Negras which was attended by guests from that city, as well. All members of the Table and guests were dressed in regional dresses from Mexico.

The Table is building a small Educational Fund to be used to provide scholarships for deserving students on a "pay back when able" basis. Quite a lot of work has been done this past year toward making plans for distribution of the scholarships.

Friendship Committee Chairmen gave members names of "pen-pals" in their various countries, and members were asked to contact them by letter. There has been some success in this endeavor.

The Eagle Pass Table is participating in the program to send copies of Good Housekeeping Magazine to sister Tables in Quito, Ecuador and Santo Domingo. Three subscriptions are being mailed to each Table.

Mrs. Max Medley, who led the Table as Director through a rewarding two-year period, moved away to Houston in February. Mrs. Estela S. Cobo, Associate Director will finish out the term as Director, and Miss Carolina Cerna was elected Director for the next two-year term.

REPORT OF PAN AMERICAN ROUND TABLE OF EDINBURG, TEXAS

1961-1963

The Pan American Round Table of Edinburg, Texas is a comparatively young Table, having been organized in March 1958. We have twenty-two (22) active members and twenty (20) associate members. We have printed yearbooks, active committees, and members who not only study and present programs on the countries of the Alliance, but who are and show genuine interest in current affairs and the cultivation of friendships and understanding.

In January 1961 our program was on Mexico. Several guest were present.

In March it was our pleasure to have as our speaker, Alfredo Carrasco, of Tocopillo, Chile, who is a student at Pan American College. He spoke on the geography and customs of his country. On March 22nd, the Edinburg Table joined with the McAllen and Pharr-San Juan-Alamo Tables at a luncheon in McAllen, Honoring Mrs. Richard Singer and Mrs. Claude Nobles, of San Antonio, Texas. It was a lovely affair and well attended.

During Pan American Days Celebration at the College in Edinburg in April 1961, Senor Carlos Alejos, Ambassador to the United States from Guatemala, and his wife were honored guests at the celebration. The Edinburg Table honored Mrs. Alejos with a formal tea in the Tropicana Club of the Hotel Echo in Edinburg.

May 17th, we held our annual meeting with committee reports and installation of officers for the coming year.

In September two members from the Reynosa Table visited our regular meeting. They announced that the National Convention of Pan

American Round Tables of Mexico was to be held in Reynosa in October, and invited members of our Table to attend. It was also announced that Mrs. H. A. Hodges, a charter member of our Table, had been appointed State Chairman of Education for the Texas Round Tables. The program leader for the day led a timely and informative discussion about the OAS.

In October we had a continued discussion of the OAS wherein the representatives of all countries had reported on their current situation. It was also reported that several groups from our Table had attended the various luncheons and business sessions of the Convention in Reynosa.

In November there was a brief business session, after which a program on Uruguay was presented.

On December 6th, 1961, we had a Guest Day Tea in the Tropicana Club, Hotel Echo, to which we invited our local friends interested in Pan American affairs. Members of the Reynosa Table were our special guests.

At the regular business meeting in January 1962, eight new associate members were voted into our membership. The program was on Venezuela.

The regular meeting of February 21, seven students from Argentina, Bolivia, Chili and Panama were our honored guests. This was a luncheon in the home of one our members.

At the March meeting meeting, the members who attended the Alliance convention gave a very colorful and interesting report. There were five active members and two associate members who attended the Convention.

Our May 1962 meeting was a program on Panama, presented by Mrs. Bryon Campbell, a frequent visitor of the country, and assisted

by two students from Panama attending the Pan American College. A graphic description and personal experiences made a very interesting program. To add to the authenticity our guests were dressed in the native attire and presented several dance numbers popular in Panama. We had installation of the new officers for 1962-63. Having completed the study on all the Alliance countries, members redrew for new representation of the countries.

For the year 1962-63 our years study of the Latin American countries was confined to Mexico, it being our largest of the Latin Americas and our neighbor, and of interest to us all. Not only the member representing Mexico, but the entire membership has participated in the study.

In September, a program of the geography of Mexico was presented. October, "Woman's Influence in Mexico"; November, "Customs, Costumes and Celebrations";

In December we had a guest night program in the ballroom of the Echo Hotel and presented "Las Posadas" using college students of the Pan American College in the presentation. Effective decorations and refreshments served from a beautifully appointed table made the occasion a very gala one. Guests from the McAllen Table and Reynosa Table were in attendance. We felt that it was a success inasmuch as, our friends from the Reynosa Table ask that we present it again in their city for a benefit. We did and enjoyed the second presentation as much as the first.

January 1963, our study was "Architecture, Homes and Furniture." Our guest speaker had lived in Mexico many years and gave interesting facts covering all three phases.

February we have a very informative report on the Alliance for Progress. We hope to incorporate a report on the Alliance for Progress

each year as this a subject of great interest.

March our study will be "Mexico and the Arts."

April we will have a Pan American Days Luncheon with honored guests and will participate in the activities of the Pan American College celebration.

In May, the book "My Heart Lies South" by Elizabeth B. de Trevino will be reviewed by one of our members.

We have thoroughly enjoyed the study on Mexico. The members have spent much time in research and in preparation---so much so that each program has been decorative, informative and entertaining.

The early part of September six members of our Table accepted an invitation to visit the Monterrey Table, which was a very enjoyable occasion. The latter part of September two members attended the National Convention of the Pan American Round Tables of Mexico in Saltillo, Mexico. The hospitality of our Mexican friends will long be remembered.

In October several members of the Pan American Round Table attended a reception in Reynosa honoring Sr. Elena T. de Leal, who had been elected President of the Pan American Round Tables of the Republic of Mexico. This was given by the Table of Reynosa. Columbus Day, members of our Table were guests of the McAllen Table. This was guest day honoring Mrs. Arlon J. Wylie, our State Director. It was a very lovely luncheon. Mrs. Wylie was our guest at our regular meeting.

In November, five members of the Reynosa Table were guests of the Director for the luncheon meeting and program.

In December the members of our Table were guests of the Reynosa Table at their regular meeting. Also two members were guests of the

Matamorros Table for their Christmas program.

In January, a group from our Table attended the "Merinda" and "Costumes of Latin America on Parade" presented by the Pan American Round Table I, Brownsville, Texas.

The highlight of the year was our cultural exchange program presented February 27th. The Ninos Contores de Monterrey appeared in a concert which was an outstanding performance. Invitations were mailed the Consular of Mexico and the office personnel; Pan American Round Tables of Matamorros, Brownsville, San Benito, Pharr-San Juan-Alamo, McAllen, Reynosa and Rio Grande City; Civic Clubs and Music Clubs of the Rio Grande Valley; the faculty of the Pan American College and friends of the members of the Table. We were honored to have Mrs. James C. Nelson, Assistant General Director of the Alliance as our guest.

This was a very stimulating project and entered into by all the members. The boys from the choir were guests in the homes of the members during their stay in our City.

March 1st., Miss Sue Garza, an accomplished pianist, accompanied by our Cultural Exchange and Program Chairman left on tour to parts of Mexico, namely, Monterrey, Saltillo, Torreon, San Luis Potosi and Guadalajara. Six concerts were scheduled for the tour, two being played in Monterrey.

We are happy to report two new associate members have been added to our membership.

It is our hope that our endeavors are fulfilling our aim to foster better friendship and that we may continue to live up to our motto: ONE FOR ALL AND ALL FOR ONE.

Juárez. Texas Western College arranged for the microfilming of three sets of these papers, two of which were financed by the Pan American Round Table of El Paso for the purpose of presenting them to the City of Juárez and to the National Government of Mexico. REPORT OF THE McALLEN PAN AMERICAN ROUND TABLE
1961 --- 1963

The McAllen Pan American Round Table has made every effort to fulfill the objects of the organization and we feel that much has been accomplished these past two years. We have strived to promote friendship between our country and Latin America, also among our own Tables, by exchanging visits with Monterey, Matamoras and Reynosa, Mexico, as well as with the Round Tables of the Valley.

One of these outstanding occasions was a tea honoring all members of the Pan American Round Tables of Mexico who were attending the III National Convention of Mexico in Reynosa. The McAllen members were also privileged to attend the convention and were highly entertained at several of their social functions honoring the delegates.

We held our annual Columbus Day observance in October. This year we honored our state director, Mrs. A. J. Wylie, who gave a splendid talk on furthering the ideals of our founder and also outlined the tentative plans for the state convention. Other special guests were Mrs. Elena de Leal, Director General of Mexico and the directors and members of the Reynosa, Mexico Table, and the Rio Grande City, San Juan-Alamo and Edinburg Tables.

Last year Pan American Day was observed with a luncheon with special guests from Monterey, Mexico who participated in the program. Three students from Pan American College who had written prize winning essays on Pan Americanism were our guests. PAN AMERICAN ROUND TABLE
REPORT OF DIRECTOR FOR 1961-1963
RIO GRANDE CITY, TEXAS

The Rio Grande City Table in 1961-1962 had 26 Active and 42 Associate members, and in 1962-1963 has 27 Active and 40 Associate members.

Alliance and State dues, our quotas for the Director's Travel Fund, and the Griswold Fund have all been paid.

During the period from September 1961 to March 1963, fourteen interesting programs have been presented by active members who gave us most interesting accounts of their country. They presented the history or current happenings of the Republic, the character of the people, the conditions of the country, and many other phases of the country they represented. Many slides were shown of the different places where they or their friends have visited. We had several outstanding guest speakers. Dr. A Hayes, and Dr. T. L. White of Pan American College, and Mrs. Byron Campbell, Honorary Consul to Panama. At these meetings, we have as special guests, two senior students from our local high school. We have had around thirty five seniors ^{to} ~~at~~ attend our luncheons.

Our Nell K. Guerra Scholarship Fund established in memory of a Charter member is increasing constantly, and we hope that it will be perpetual very soon since it serves a very worthy cause. Each year, we award a \$100.00 scholarship to a high ranking student in the county who wished to further his education and is unable to attend college because of financial difficulties. The scholarship went to Miss Emma Laurel of San Isidro, Texas last year.

Due to the interest created by Mrs. Byron Campbell in the students from Panama who are attending South Texas Colleges, our

Table donated \$50.00 to their expenses. Several members also made personal donations to aid them.

Mrs. George Boyle attended a meeting on Inter-American Problems in Dallas, October 1961 at which time Chester Boles, Under Secretary of State, was the main speaker.

In February of 1962, Mrs. Clyde Trotter, First Associate Director, visited our Table. A lovely tea was given for her in the home of Mrs. R. N. Perez. She talked to us on Pan American ideals and encouraged our members to attend the Alliance meeting in Mexico City. As a result of this, five of our members attended this Alliance meeting in Mexico City, March 16-20, 1962. They were: Mrs. H. P. Guerra, Jr., Director, Mrs. John A Pope, Jr., Mrs. A. V. Peterson, Mrs. Edwin LaGrange, and Mrs. Howard Bass.

To celebrate our Pan American Day in April 1962, a tea was held in the home of Mrs. R. R. Guerra at which time invitations were issued to prominent women of Miguel Aleman and Nuevo Guerrero as well as all Tables in the Rio Grande Valley and Reynosa, Mexico.

Mrs. Florence J. Scott, First Director, and Mrs. George Boyle, Director, attended the Installation and Buffet Supper at Reynosa, Mexico May 1962, and also the Friendship meeting November 22, 1962. Mrs. Boyle also attended the Columbus Day Luncheon in McAllen October 15, 1962, honoring Mrs. Wylie, State Director. Then the Rio Grande City Table gave a tea on the afternoon of October 15, 1962 at the home of Mrs. Howard Bass honoring Mrs. Wylie.

The Table has subscribed to Good Housekeeping Magazine for Dona Marina de Chariaiz, Director of the Table at San Miguel, El Salvador.

The Director and several officers will attend the "Reunion of Friendship" in Reynosa on the evening of April 23rd, planned by Mrs. Elena T. de Leal, President of the Asociacion de Mesas Redonda Pan Americanas, Rep. de Mehico, which will be attended by Mrs. Emma E. de Gutierrez, Suarez, Director General of the Alliance.

This Table has received an invitation from the Round Table of Durango, Mexico to celebrate the 400th Anniversary of the founding of the city of Durango. Several of our members plans to attend.

Pan American Day will be celebrated April 16, 1963 with a luncheon to which the President of the Mexico Tables, and the Director of the Reynosa Table will be guests as well as others from the area. Mr. Elmore Borchers, and outstanding speaker on Pan American problems from Laredo will be the guest speaker for this occasion.

PAN AMERICAN ROUND TABLES OF TEXAS

AUDIT REPORT

MARCH 1, 1961 TO MARCH 12, 1963

JOHN EDWARD DOYLE

ACCOUNTANT AND AUDITOR

ALAMO NATIONAL BUILDING

SAN ANTONIO, TEXAS

Help Cond Meet

1959-1961

As a Past State Director, I have been asked to give to Table Directors a few duties to the State Organization. I do hope that they will help in a small way to make your year of office a happy one.

The Pan-American Round Table is not a club. It represents a movement of Pan-Americanism and its titular head is a Director.

1. Please read and inform yourself on the history of the Pan-American Round Table Organization. That history should be found in the file of each Table, as it was sent by me to the Directors in December, 1959.
2. Read and acquaint yourselves with the Constitution and By-Laws of both the State and the Alliance, using Roberts' Rules of Order in conducting your meetings.
3. Before leaving the Convention, please see that the Corresponding Secretary and Treasurer have the names of your elected officers for the coming term.
4. As soon as your Year Books are ready, mail a copy to the following:

Alliance Director
Alliance Secretary
Alliance Treasurer
All State Officers
and all other Tables.
5. When State Officers send communications to the Tables it is for a purpose, not just to be busy, use stationery and spend postage. So, please, answer these communications and do so on time, not two weeks later.
6. Have one program - a year at which both State and Alliance are represented. It is the courteous thing to invite your State Director and an Alliance officer to meet with your Table and be your guest during your term of office.
7. Look well to your Program Chairman, selecting one who will really arrange a program on Pan-Americanism, - not a tea party.

Cont'd.

8. Have a strong Project Committee. Projects could include any of the following Scholarships, Spanish classes, Study of the 22 flags, and perhaps making a set of flags, studies of histories and customs of South American countries, study of the organization of the American States, etc. (Speakers are available through the Pan-American Union.)
9. The Constitution states that our organization is non-profit. Since the organization does recommend that Scholarships be given, and that Tables send delegates to the Convention, a plan for financial assistance might well not be termed non-profit making. But funds solicited or raised for other purposes are in violation of the Constitution and so could result in the organization losing its status for mailing services and its Income Tax status.
10. Membership. - Choose new members who are really Pan-American minded, not just joiners. Keep your membership small and interested, rather than large and unwieldy. It is better to take in no new members than to just fill your rolls to the maximum membership.

You will no doubt ask, "Are we not allowed local autonomy?" You are, so long as the Table operates within the framework of the Constitution and so long as your own Constitution and By-Laws have been accepted by the Constitution and By-Laws Committee of the State and Alliance.

I am sure that if you study the above mentioned, you will realize that you enjoy a great deal of local autonomy.

The itemized suggestions and rules are very easily complied with. And if you try them, you will have a good Round Table and a happy membership, and that you will make a real contribution to your ideals and to our motto, "Unas para todas, y todas para unas".

Cont'd.

I will try to give you some simple but helpful hints to make your presiding easier, efficient and pleasant.

The following suggested lessons are arranged to help officers learn first the elementary things necessary in order to take part in a meeting, only a few of the simplest rules are called for in an ordinary meeting. The next step is to find a correct ruling at a glance rather than to attempt to remember all.

First let me state that there are four basic rules for Parliamentary Procedure. Without them all else is lost.

1. Courtesy and justice to all;
2. Consider one thing at a time;
3. The minority must be heard;
4. The majority must prevail.

Be sure that all of your officers are acquainted with their duties. Before presiding at your first meeting, I would urge that you and your officers thoroughly acquaint yourselves with your Constitution and By-Laws. This is most important, and you should always have a copy of such in yours or your secretary's possession during a session, unless you have your Parliamentary present - in which case she should have one.

Whether in General meetings or Board meetings, do start on time. If a time has been set, there is obviously a reason for it. Stress that fact to your Board and to your general membership. Have an agenda made up and abide by it and preside by it, checking off each piece of business as it is disposed of, being sure that your secretary gets each correctly. Check with her immediately following the meeting. To wait until you get home and call her by phone, might be too late. Correct minutes are very important. They constitute a permanent record of your organization.

It is not important that red, white and blue decorations were used, but

Cont'd.

it is important as to how much money was voted to be expended on a project and how the group voted on proposed legislation from the State or National Organizations, and it is important as to whether Mrs. Black or Mrs. Brown proposed an amendment to an amendment.

So, with your Constitution in mind and a good secretary, you should have no worry - unless you have made some poor choice in the appointment of Committee Chairmen, and I hope you have given serious thoughts to this. After this appointment has been made, it is out of your hands, and no chairman wants the president calling her every day or so as to how her project is going. She had rather report to you. So, in presiding, I would stress these points. Always look your best, stand errect, speak and enunciate clearly, making your language definite. Remember that you were elected by the group, and that group is looking to you to lead them and to always represent them well.

Get names correctly. To some people there is nothing more deflating nor irritating than to be introduced or spoken to by an incorrect name.

I am sure that you are acquainted with the order of business, i.e. -

Secretary's minutes

Treasurer's report

Special orders for the day

Special committees

Unfinished business - never old business

General orders for the day or new business

Standing committees.

This order of business is flexible and could be so arranged as to accommodate Board members. After the above procedure it is best that the Chair entertain a motion to adjourn.

Cont'd.

Never let your meeting drag on or hang on, - move efficiently from one item of the agenda to the next.

If there is a program, never say, "I will now turn the meeting over to Mrs. Jones". Rather say, "It gives me pleasure to introduce our Program Chairman". Remember that you are in "the Chair" until the meeting is adjourned.

In introducing a speaker, either the president or the chairman, you should always have it understood just how long he is to speak and hold him to it, saying tactfully, "Mr. or Mrs. --- will speak to us for 15 minutes" or the agreed or allotted time.

If as Director you wish to enter into a discussion or bring up any questions, step out of the Chair to do so, asking the Associate Director to preside for you. And speaking of Associate Directors, many organizations consider it an honor and a courtesy for the Director to ask the Associate Director to preside at one meeting during the year. Of course, she would always preside in the absence of the Director, and be expected to move up in case of resignation or death of the Director.

Let us move on to Board meetings. Board meetings are very important and are set up for the convenience of taking care of the business of the organization - recommendations, resolutions, and so on, and to later be presented to the general membership for approval and adoption. If small items, such as approval of bills, committee appointments, etc. are handled at the Board meetings, only the reading of important items need be mentioned at the general meeting, and so it can move on to the program, the lecture or other forms of interest. Thus the membership is informed, but not tired out by such business. After all, the Board is elected to handle the organization's business. If any member at large

Cont'd.

objects to or wishes to speak to any of the recommendations or resolutions from the Board, that member is entitled to do so, and a discussion could follow - but seldom does.

It seems that most business resolves itself around motions. So let's discuss the processing of a main motion or resolution, and incidentally, about 80% of all motions are main motions as compared to resolutions.

1. A member, to secure the floor, rises (in large bodies gives her name) and addresses the Chair, is recognized by the Chair.
2. To make a motion, the member "moves" - as, "Madam President, I move that -- ". The motion must be seconded by a member, else it dies on the floor. The Chair states the motion (or has the secretary read it) and calls for any discussion on same.
3. The Chair puts the question to the body and takes the affirmative vote - the negative vote - and must announce the result.

The presiding officer is addressed as "Madame Director" but always refers to herself as "the Chair".

There are "Basic rules for any debate".

1. Each member is entitled to speak once to a question, perhaps twice, if there is no objection.
2. Members of the organization indulge in no personalities and avoid references by name.
3. Members always make inquiries or ask questions on any point through the Chair.
4. The member making the motion has the privilege of opening and closing the debate.
5. The Chair must remain neutral and if debating, must leave the Chair until the debate is finished and the vote taken.

Cont'd.

These are simple rules — and with them go my best wishes for a happy term of office.

Sincerely,

Gladys S. Hawkins (Mrs. W. W.)
Gladys S. Hawkins (Mrs. W. W.)

A PROPOSED RESOLUTION

BE IT RESOLVED that the Pan American Round Tables of Texas express to Mr. J. W. Edgar, Commissioner of Education for the State of Texas, and to the Hon. John Connally, Governor of the State of Texas, their keen interest in the program of training the pre-school child in the speaking of English in order to eliminate the language barrier which, in the past, has frequently caused him to lose at least one year;

AND BE IT FURTHER RESOLVED that the Round Tables of Texas express their interest in and their encouragement in the further expansion of the training of the school children of Texas in the knowledge of Spanish so that they may obtain a greater understanding of our neighbors to the South and of our many first-generation citizens of the United States who are of Mexican descent.
