

Pan American Round Tables of Texas
56th Biennial Convention - Eagle Pass, Texas

Revisions Chair Report

Early February meant getting notices out prior to our meeting here in Eagle Pass!

A proposed Revision to our State By Laws, which more clearly defines the Nominating Committee and how it is chosen, was unfinished business from the State Convention in Laredo in 2011. This Revision will be voted upon at this meeting and immediately submitted to Alliance Parliamentarian, Carmen Guerra for approval.

There was no further action taken by the Revisions Committee.

Respectfully submitted,

Jessica Farrell
