

Pan American Round Table of Texas
Board Meeting

March 5, 2016

First Associate Director Area B Report

At the State Convention in Laredo, I had the privilege to become the First Associate Director Area B. Since then I have been busy learning more and more about Area B and the talented women of PARTT.

In August, I got to meet all of the Area B Table Directors during the workshop held in San Antonio. We handing out workbooks and Director guides and answered questions. We also gave a big PARTT hug of encouragement to each of them for a great year ahead. After returning home, an email was sent to them with a note of important information to remember and things to do for the year.

I have been invited to several Table Events since then, but have not been able to attend them since several were held on my Table Meeting day. Others were just a conflict of events. I will be making a point of visiting all of the tables in the next couple of months.

Nomination Committee

I nominate Ann Beitel of Del Rio as the Area B Member of the Nominating Committee. I nominate Susan Matthews of Corpus Christi as the Alternate Member from Area B.
