STATE BOARD MEETING

RAMADA INN, DEL RIO, TEXAS

MARCH 5, 2016

As your PARTT Revisions chairperson, I regret to inform you that our committee has not met to discuss/prepare any revisions to the Constitution and Bylaws and Standing rules of the State Organization prior to the meeting of March 5th in Del Rio, Texas.

We did meet briefly during the State Convention held in Laredo in April of 2015 and we are in the process of reviewing the State Constitution and Bylaws and will present any suggestions of changes/additions to the State Constitution and Bylaws should we find anything that needs to be addressed to our State Director.

The committee consists of Frances Rodriguez of San Antonio and Woody Hearn of Conroe. I met with Frances on March 5th and we have decided to meet in San Antonio in July of 2016, to determine what if any changes/additions need to be presented to our State

Director, Mrs. Isabel Vezzetti so that she may review/agree/change or add any items that she might find significant. I will be contacting Woody shortly to see if she can make arrangements to meet with us in July so that we may complete our assigned task.

Respectfully submitted,
