

Report of the Ad Hoc Membership Committee to the 58<sup>th</sup> Convention of the Pan American Round Tables of Texas in Houston, Texas from April 20-23, 2017 by Carmen R. Guerra, Chairman

The Ad Hoc Membership Committee was named to study a way on how to add new members to our Tables. It has been a very difficult task. We can only suggest the following:

1- Not living in the Cities where the Tables are, it is hard to know the problems. Have the Associate Directors give a Work Shop on what works to bring Members to our Tables.

2- Every Table has its own By-Laws in their Membership Committee.

3- If the Members don't bring or invite their friends and family as guest to their Table's Programs, your Table is in trouble. See if they can be prospective members. But be careful who you invite.

Do not be idle, be positive and make your Programs good, informative and as entertaining as you can.
