

**PAN AMERICAN ROUND TABLE II
OF
BROWNSVILLE**

April 22, 2017 Director's Report for Brownsville PARTT II

We like invitations! We like going to parties! We like seeing old friends and making new friends.

Brownsville PARTT I always has interesting speakers, the food is great and they have great door prizes. Plus they are in our backyard so we know how to get there!

Edinburg PART meets at the Echo Hotel. Before GPS I would have sworn that the Echo moved every year. We always seemed to get off the highway at the wrong exit!

We know when we come up to Edinburg we have to bring extra cash. They have two raffles. One is for Edinburg's scholarship. The other is Ms. Elsie's Christmas Nativities. This scholarship money is for the Alliance. I know that Mrs. Elsie has a big warehouse full of Christmas nativities. She just has to go in "eenie meenie miney mo, catch a nativity by the toe." These are the ones she brings. They also have a table with pictures of their past directors. (You didn't know I looked.)

McAllen PARTT is always at the McAllen Country Club. I like it when the ladies present the flags of the countries we study. I like it when the Table Director called on us to meet in Edinburg at the Coffee Zone to discuss or plan the meeting to honor the Director General. We made new friends.

San Benito/Harlingen PARTT meets at Golden Palms in Harlingen. They also have had interesting speakers from a lady Marine (the director's sister) to a very gifted young man who would take us on a tour of Spanish Christmas carols. I think it brought good memories to all the ladies.

Brownsville PARTT II might not be strong in numbers but we are strong in spirit.
