

Pan American Round Table of Texas - Archive Report 2017-2018
State Board Meeting - March 24, 2018

Madame Director,

It has been a great pleasure serving as Archive Chair for the state of Texas during this past year. I want to thank my committee, Frances Rodriguez and Ahia Shabaaz for their support in overseeing our state's archives. The state's archives are located at The University of Texas San Antonio, main campus, located just off of 1604. I had the opportunity of going through all the files of Mildred Beasley, she was a member of the San Antonio Table for over 60 years. Mrs. Beasley passed away last year at the age of 105. Her daughter, Kathleen Beasley, gave me a treasure trove of newspaper clippings, photos, memos and meeting minutes of not only the San Antonio Table, but of the state and alliance histories and activities.

I also received yearbooks from the following tables: Alamo -San Juan-Pharr, Austin, Beeville, Brownsville I, Conroe, Del Rio, El Paso and Rio Grande/Roma.

Thank you for letting me service as Chair of this wonderful and interesting committee. I look forward to the coming year.

Respectfully submitted -
Laura Uzdavines
