

Pan American Round Tables of Texas

REPORT TO STATE BOARD

March 24, 2018

San Marcos, TX

On April 24, 2017 I began the most awesome experience of my life. I was elected the 48th State Director of PARTT. Along with the 10 other very talented women we accepted the challenge of "The Construction Company Board of PARTT" to Make PARTT better. Many thanks to the leadership of Isabel Vezzetti and the PARTT Board 2015-2017 and prior for getting us to this point. "We are One for All and All for One".

On the very long drive home to Del Rio I had the chance to think and talk about the committee chairs and members that were needed to continue the PARTT movement in Texas. With the help of those on the list of volunteers that are ready to help, and the support of Past Directors, the positions filled quickly. Thanks to each of you for accepting your position. We make a great Team.

Getting Rosters to the Executive Board was next on the list of things to do. Followed by changing signatures on bank cards and filling the Texas Secretary of State Form 802 and paying the \$5.00 filing fee.

In April I contacted all Tables Directors in Texas asking for the names and information of the newly elected Table Directors, so I could congratulate them and the members of their Board and wish them well. I also wanted them to know there would be a new summer workshop for all Table Directors, Board members and ECC Chairs to help them.

After considering many times and places, we agreed to August 12, 2017 at Laredo La Posada Hotel as the perfect location and a good midway point to meet. La Posada Hotel went above and beyond to make our meeting great. The Laredo Table, led by Nora Varela de Pena did an outstanding job behind the scenes to make it wonderful and memorable event attended by 65 PARTT sisters. My recommendation for next year is to have the Director Training and Board Meeting be there. They have invited us back several times for any function we may want to have, with a price no one else can provide.

In June I filed the 990-N IRS E-card for PARTT and it was accepted and informed all Tables that theirs was also due. To date, you will see from the Treasures report that all but two have completed it. My recommendation is that the State Treasurer do a group entry for all the Tables at one time to ensure it being done and no late fees being charged to any Tables.

Since last April I have managed to put over 11,000 miles on my vehicle visiting PARTT Sisters across the state with several more to visit this year.

State Board Meeting

Of all the things I have worked on this year, the re-organization of the Dallas II Table was the most challenging. We made several trips to Dallas to meet with the members and explain what needed to be done. In October we attended a Table meeting run by Martha Stumbo, 2nd Associate Area D Director. The Election of Officers took place and committee chairs were appointed. To date they are a happy, active Table with 12 new members. Thank you, Martha Stumbo.

It has been a fast, but fantastic ten months and I thank each Table and their Hostess's that have welcomed us to their home and feed us so well. My traveling partner, Ann Beitel, State Corresponding Secretary, has been beside me guiding and directing me on the road and keep my focus straight as to why we do the things we do. Thank you, Ann., Looking forward to the next year.

Respectfully submitted,

Dee Moore

State Director PARTT
