Martha Stumbo, Director  
Pan American Round Tables of Texas

Director Stumbo,

It is with mixed feelings that I offer this very short report of my activities as the newly appointed Associate Director Area B. While I am honored and delighted to serve my sisters of Area B, I am also sad that my service comes as a result of the loss of our sister Ann Beitel. I pray that my service reflects her values and love for the Pan American Round Tables.

As I know is the case for most of us, I have very little to report. Since assuming this position in November, On May 18, 2021, I was invited by the Corpus Christi Table to install the new officers for 2021-2023, at a meeting conducted via Zoom. Although the meeting was virtual, I could feel the group's warmth and joy as though we were together in person. It was a joyful time.

I look forward to visiting all the Tables in Area B in person eventually. Thank you for this opportunity.

Lisa Cawley-Romero
